Mishri Parikh makes it to the World Artistic Roller Skating Championships

Who she is the current Asian Junior champion, a World Championship medal has eluded Mishri Parikh so far. However, it shouldn't be too far away considering this talented artistic roller skater has finished in the top 10 in the past five Indian women so do so. To ensure that her preparations receive a further boost, the 17-year-old skating sensation has left for the USA for her training well ahead of the World Artistic Roller Skating Championships to be held in China, speaking to us just before leaving India. Mishri, who also happens to be the undoubted national champion in figure since the past seven years, shares, "Since the last five years, I have been going to the USA for a couple of months or so every year so that I can reach my full potential. While my Indian coach, Divyansu Desai, has been a big help too, there are certain challenges that we face in India. For instance, since there are only outdoor skating rinks here, I can't practise in the atmosphere when it rains. Winning a World Championship medal for India has been a big dream and I hope I can make it happen this time. This is an expensive sport and although I am getting help thanks to the state government's scholarship scheme, it's not enough because I am in the category. Our sport needs more support from the government. A lot of talented skaters miss the sport in the country."

नोएडा स्टेडियम में यह कैम्प 14 जून से शुरू हुआ है, जो 24 जून तक चलेगा। इसके बाद खिलाड़ियों की फाइनल लिस्ट

स्केटिंग महज पहियों पर सरकना भर नहीं है, बल्कि इस पर चलने के लिए महारत हासिल करनी पड़ती है। इस गेम में रिकल के साथ स्टेमिना भी जरूरी है। इस पर निरंतर प्रैक्टिस करने की जरूरत होती है, तभी आप इस गेम में कामयाब हो सकते हैं। इंडिया में स्केटिंग का भविष्य अच्छा है। बशर्तें इस गेम को स्कूल लेवल पर ही लागू किया
