Update and Clarification on the 63rd National Roller Skating Championship.

Dear Sir/Madam,

This is to bring to your kind attention the following points:

1. The 63rd National Roller Skating Championship has been postponed, as per the official letter Ref.no RSFI/PO/2025/10/9 Dated 29/10/2025 .
2. The championship event being held in Vishakhapatnam is not approved by the Roller Skating Federation of India (RSFI), its Executive Committee, or the President.
3. **Any certificates issued for the aforementioned Vishakhapatnam championship will not be considered valid or authentic without the signature and official seal of the RSFI President and approval.**
4. We have already informed the Ministry of Youth Affairs and Sports, along with all other relevant authorities and departments, regarding the postponement of the 63rd National Roller Skating Championship 2025.
5. **As soon as the situation improves, we will promptly share the new dates and other relevant information for the championship.** We assure you that the National Championship will be completed within this financial year itself.
6. **If, despite this notice, any one or two State Associations choose to participate in this unapproved event, they will be doing so solely at their own risk. RSFI and the Ministry of Youth Affairs and Sports will not be held liable for any issues arising from this decision.**

Thank you for your continued support and attention to this serious issue.

Sincerely,

Tulsi Ram Agarwal
President RSFI
